

Kemptville District Soccer Club is hosting a
Tide Mini Soccer Festival presented by Yahoo! Canada.

On Saturday August 11th

10:00a.m. - 1:00p.m.

Riverside Park

This event is a team event and players will be expected to participate as a team, in such events as soccer games, BBQ lunch and fun activities. Many generous National sponsors for this event have provided give-away items and sponsorship to KDSC to help support the event. Of course our own local sponsors have supported our club through various means such as uniforms and equipment. We hope that each player will come out and enjoy the Festival. Parents are invited to come and cheer on the kids and also jump in and assist with activities. If you would like to volunteer please contact Ann or Jeff @ 258-0113.

We could use your help.
