**Notes to Parents, Coaches & Conveners**

- Pictures will be taken in the North-East corner of the parking lot. (Near the Boulders)
- We realize the younger ones get bored & tire very quickly, we want this to be a quick and fun process for your children.
- This schedule has been assembled keeping in mind your busy schedules & to enable the players to still enjoy optimum play time and minimal disruption.
- Teams will be called up by field. (2 at a time) While the accompanying team is getting photos taken; players will be put in order to be ready to minimize loss of play time & parents can fill in orders.
- We want to disrupt your games as little as necessary. This requires communication and cooperation; we ask that coaches bring their teams up in a timely fashion.
- In order to ensure a non-rushed experience for all of the families and avoid waits; we ask for all to be very punctual, patient & understanding with the process.
