Kelli Cumming called this meeting. Kelli informed the club what was happening with South Gower Park. Construction has begun to clear the lot and put in 5 new full fields. This is where Kemptville's fields will be located. It's time to start working on them and have them done. There's no need to just sit on the land. Kelli spoke to Darren at the Municipal office and they will not hand out the money required to make the fields. Darren suggested that the club put in the money required out front and when the receipts start coming in the Municipal office will pay the club back. Dave Cumming is in charge of all construction at the South Gower Park. He has put in the ditches, and started clearing all the debris. A pond has been started in the front. He will be trucking in topsoil and then screen it for all the 5 fields. Once it is all levelled then they will either put sod down or seed it. The estimated date for completion is August 31 2006.

A MOTION WAS MADE TO ISSUE A CHEQUE FOR \$20,000.00 FROM THE KEMPTVILLE DISTRICT SOCCER CLUB TO DAVE CUMMING FOR NEW FIELD DEVELOPMENT LOCATED AT SOUTH GOWER PARK.

ALL EXECUTIVES WERE IN FAVOR...
