Meeting commenced at 7:05pm.

Matt thanked everyone for coming to tonight's meeting. He apologized for the short notice but there were items that needed to be addressed.

Matt announced that he received an email from Ann Miller stating that she was resigning from being an executive member for the soccer club. Matt was shocked and had hoped to talk her into staying but Ann had already made her decision to leave. Matt told the executives that he was sorry to see her leave. Ann has been with the club for many years and has been a great asset to the club. He is sorry to see her go. Ann has, however, decided to stay on as a convenor.

Unfortunately, we now needed someone to take over the position of coaches' convenor for House League. Rhonda volunteered to take on that position. Matt thanked Rhonda for stepping up to help. Rhonda mentioned that she needed to get a hold of all the coach's applications, which Matt said he would get from Ann.

Matt wanted to go over which teams were in trouble with numbers. The BU14 only has 6 registered. Carole said she had spoken to Terry Sloan who had said there were more boys coming. He had also volunteered to coach the team if there was not another candidate. Carole also mentioned that since the BU13 Premier had 24 registered that possibly the ones

that did not make Rob's team could play up to U14 Div 1. That is a possibility that we could fall back on. Members decided to keep that team.

Next concern was the GU16 Regional team. Matt was concerned with these numbers. With only 11 he wondered what the executives thought. Many of these players were new to the team. He felt it was unfortunate for the girls that wanted to play, and have been with him for so many years. A suggestion was to post on ERSL that he was looking for players. Executives decided to run with that team. Matt then asked Linda what she thought about the BU15 Premier team. The numbers are not high but she did know of some players that wanted to play but just have yet to register. She will also post that they are looking for players on ERSL. The last decision made was to pull the BU18P. Here there were no numbers and there was no way to run a team.

At this time Matt wanted to go over the competitive numbers.

We still have a ways to go. Please pass the word out to see if anyone is willing to help out. Lou has already posted it on the website.
